Dear colleagues!

Intergovernmental organization "International center for scientific and technical information" (ICSTI), Department of science and technology of the government of the Republic Of India (DST) and National Institute of Scientific Communications and Information Resources (NISCAIR) are holding the International conference "Digital Economy: The Space for Science and Technology Information", which will be held on September 19-20, 2019 in New Delhi, India. The conference is dedicated to the 50th anniversary of ICSTI.

Directions of the conference:

Session I: Science and Technology Information in the Digital Age: A Global View

Session II: Information Literacy and the Information Revolution

Session III: Regulating Information Flow

Session IV: Scientific Journals in the Open Digital Environment

Session V: Scientific Ethics and Open Access

Session VI: Infrastructure for the Digital Economy

Panel Discussion and Summing up

We invite to participate field-specific experts, representatives of state bodies and concerned companies. The conference will host participants of more than 20 countries.

Conference venue: CSIR-NISCAIR, Dr. K S Krishnan Marg, Pusa Campus, New Delhi 110 012

The conference language is English.

The conference website: https://sites.google.com/view/digitaleconomy2019/home

Information about this conference and the conditions of participation can also be found on the websites of the National Institute of scientific communications and information resources (NISCAIR) and ICSTI.

In case of having questions about the Conference, please contact:

      NISCAIR: gmahesh@niscair.res.in

      ICSTI: bem@icsti.int

We will be glad to see you among the participants of the Conference!

Kind regards,
Conference Organising Committee
